The Sub Division officer recommends Hussain Abbas being appointed to the post on a pay of Rs 25 per mensem.

The Gumbuz Nazim in his report dated 24.4.14 presses for consideration the desirability of reducing the pay of Khazi and utilizing the savings towards increase to menial servants

Gen. Pr. No. 2710

Bangalore,
16/12 December 1914.

To

R.H. Campbell Esq., C.I.E.,
Private Secretary to H.H.
the Maharaja of Mysore.

My dear Sir,

1. Memo No. 2203 dated 3rd November 1914 from the Private Secretary to H.H. the Maharaja forwarding the petition of Syed Mynodeen Khadri, for submission of papers in the case.

2. Memoranda Nos.4682 and 1533 dated respectively 30th June and 26th September 1914 from the Private Secretary to H.H. the Maharaja forwarding petitions from Khairunnisa Begum for an allowance, &c., for submission of papers in the case.

3. Mr. Campbell's D.O. letter No. 69 dated 5th November 1914 enquiring whether a small promotion cannot be given to Mahomed Rahimuddin Mutavalli.

I request reference to the communications noted in the margin forwarding certain representations relating to the Khazi's appointment at Seringapatam. I send herewith the connected files on the subject.

It will be seen that the First Member of Council is for the appointment of Hussain Abbas as Khazi for a period of three years on a salary of Rs.25/- per mensem and is also agreeable to the grant of a small allowance out of the savings to the Khazi of Mysore and the Mutvalli of Masjid-i-Ala at Seringapatam. He, however, considers that no case has been made out for the grant of a special allowance to the widow of the late Khazi.

I have discussed the question fully with the Muzrai Superintendent. I gather that at present there is no principle to guide us in the appointment of a Khazi, except that he should be of a respectable age and have some pretensions to learning. The man recommended. viz., Hussain Abbas, is reported to be of 59 years

17

of age. In the circumstances, I see no objection to the recommendations made by the First Member of Council ~~being sanctioned~~.

In this connection, I also discussed the question as to why the money saved from the pay of the Khazi at Seringapatam should be spent ~~on~~ promoting the Khazi at Mysore. It is stated that, as ~~some~~ of the Mahomedan population of Seringapatam have ~~since~~ migrated to Mysore, the appointment of Khazi of Mysore has grown in importance.

The whole thing seems to be managed somewhat irregularly, but such a practice has been going on for a long time, and according to precedents, the arrangements recommended are not out of the ordinary course.

If the proposals meet with His Highness's gracious approval, necessary orders will be issued.

Yours sincerely,

The proposals of the First Member seem to be as good as any that can be put forward under the circumstances. The papers are returned for favour of H.H.'s orders.

Yours

Respected Sir,

I beg to be excused for venturing to trouble your honour with this my humble application.

I am the son of Shapeer Khan, Jagirdar of Dodda Kattoor and grandson of late Raja Khan Saheb Bakshi of the Mysore Palace, and that my three uncles were also Bakshis of the Palace, during the administration of His Highness Sree Krishna Rajendra Wodeyar Bahadur.

Their services have been well recognised as is evident from several considerations shown to them and to their descendants by His late Highness.

I was educated in the late Royal School at Mysore specially started for the education of His Highness the Maharaja Sree Chamarajendra Wodeyar Bahadur, G. C. S. I. when Colonel G. B. Malleson was the Guardian to His Highness the Maharaja, and Mr. Ranga Charlu was the Palace Controller and latterly Dewan of Mysore.

On special recommendation of late Sir James Gordon, the British Resident, and Mr. Ranga Charlu, the late Dewan of Mysore, I was taken into the Government service and was last a First-Grade Taluk Sheristedar on Rs.60/-, and was also in charge of Mudegere, Belur, Arkalgud and H.Narsipur Taluks during the absence of Amildars on leave etc. I was recently retired from the service and the small pension I am now getting is hardly sufficient to maintain my large family.

8

I regret to bring to your honour's kind notice that Khaja Mahamedd Sahib, retired Sub Deputy Inspector of Hindustany Schools who was Khazi of Seringapatam Mosque died on Thursday last: his place has in consequence falle vacant.

In conclusion I beg leave to inform your honour that as I have already stated above I belong to a high family. I have put in long service in several departments; and after a long successful career I have earned pension though very small on account of my misfortune. I know English, Kanarese, Hindustani, Persian and Arabic languages. I am also an experienced Accountant. As it is found absolutely necessary that candidates for the vacant post should be acquainted with all the languages and specially English just to explain clearly to several European and other gentlemen that come to visit Seringapatam and Gumbaz etc., anxiously waiting to know all places of historical interest. Till now no incumbent has equipped himself with all these qualifications. As I am fully conversant with all, I respectfully beg your honor will be graciously pleased to confer on me the above and vacant Khazi post and thus encourage me to strive to do my best to give satisfaction to my superior

Copy of my brief history approved by the Government is herein enclosed for your kind perusal.

I beg to remain,

Respected Sir,

Your most obedient servant,

Dated 29th June 1914,

A brief history of the family and services of M. Mahamedkhan, Grandson of Raja Khan Bukshi, Palace, Mysore, and his present prayer before the Mysore Government.

1. Raja Kahan, Bukshi my grand father was a Moosahib (or companion) to Tippu Sultan who ruled over Mysore during the last century as well as a Bukhsi under His Highness the late Maha Raja Krishna Rajendra Wodayar Bahdur In his latter capacity he held a most important position being the Bukshi of several Departments in the Palace. Besides the Military rank which he held, he was also disposing of suits in the old Adalat Court, then highest n the Province, under the orders of His Highness: this fact is also referred to in Mr. Lewis Rice's Gazetteer of Mysore

2 In appreciation of the services thus rendered both during the Mahamedan regime and His Highness' rule, my grand father has been given a Jaghir or free grant of the village called Dodakatoor in Mysore Taluk under Tippu Sultans Sannad of 10 Kartika Shuddha of the year Virodhikrutu, and His Highness Sannad dated 6th November 1816, which is being enjoyed in perpetuity. In addition to the above, several other minor Inams in the Seringapatam Taluk and the Mysore Town have also been granted by His Highness late Maharaja Krishna Rajendra Wodayar Bahadur for the proper conduct of the obsequies of my grand father (Raja Khan) and his ancestors under Sannads dated 27th July 1817 and 18th June 1823 respectively

3. I may here say that such grants are very rare and exceptional, being restricted only to members of very high and selected families.

4. My grand father, Raja Khan and 2 uncles, and after them another uncle of mine held the dignity of Bukshi till the lamented demise of His Highness Maha-Raja Krishna Rajendra Wodayar Bahadur in 1868.

5. Subsequently a good pension was sanctioned from the Government to our family which, added to the Jaghir, enabled us to maintain our high position and prestige among the Royal family and placed my father (Mahamud Shapeer Khan Jaghirdar) and my uncles beyond all want.

6. That, at about this time, instructions having been received from the Government of India for the education and training of His Highness the much lamented Maharaja Sree Chamarajendra Wodayar Bahadur, G. C. S. I., to adorn that high and exalted position which His Highness was destined to hold and which His Highness so gloriously filled to the credit of those who took the most active part in His Highness' training, Colonel G. B. Malleson, then Guardian to His Highness, and Mr. C. Ranga Charlu, the late Dewan then Palace Controller, after mature consideration thought it necessary, to associate with His Highness a number of boys selected from old Mysore families of acknowledged respectability and approved loyalty, as co-students.

7. In pursuance of such resolution my 2 brothers (Viz Mahamed Nasirudeen Khan and M Hamedodeen Khan) and myself were selectd as such and admitted to the Royal School We thus enjoyed the benefit of a sound education and training with our Royal Master till the year 1879.

8. During the scholastic career of 8 or 9 years I had the good fortune, in conjunction with my brothers, of being associated with His Highness Maharaja Sree Chamarajendra Wodayar Bahadur, G. C. S. I., and accompanying His Highness to Ooty and other places.

APPENDIX NO I

My Dear Mr Ricketts,

The bearer of this Mahomed Khan, is a member of an old family at Mysore and was educated in the Royal School with His Highness the Maharaja of Mysore, where he bore a very good character

He knows fully English, Canarese and Hindustany and is a energetic industrious his aspirations are not high if favourd with an appointment in your District he hopes to advance by his own exertions I beg therefore to recommend him to you for an appointment in your District if there is no vacancy at present he is prepared to Volunteer in your office

He is one of two or three boys from the School whom Mr Gordon the Chief Commissioner wishes to provide for the others are being sent to other Districts I think Mahomed Khan will prove better in your District

9 At the close of our scholastic career, the Royal School was wound up and the late Sir James Gordon, then Guardian, full well knowing my high family connections and my association in the Royal School and desirous of providing me with a good appointment, sent me to the Deputy Commissioner Bangalore District getting me a D O. from Mr C Ranga Charlu (Revenue Secretary) which is printed as appendix No I

10 The then Deputy Commissioner provided me with an appointment in the Bangalore District Office in pursuance of the recommendation in 1879

11 Hoping to rise in life I set myself to work with honesty and deligence, and during the past 15 years of my service, I have in various appointments in the Forest, Revenue, Account and other Departments as detailed in the margin Copies of testimonials obtained in these capacities are printed as Appendix No II

12. Colonel A. H. Macintire, while Deputy commissioner Bangalore District, recommended me for a higher appointment to the Government (in Docket No. 41, dated 13th April 1886) but to my misfortune no consideration was shown. I may here state that I have acted in several appointments drawing a maximum salary of Rupees 55 per month.

Appendix No III,

This young man (M.Nasiruddin khan comes of a respectable family.

21stMarch1885 (Sd.)H.M.S. MAGRATH,
District Judge.

They are Mysore people and very respectable family, well known for many years to Colonel B.Magrath and myself. As such they have claim to consideration

9th December 1890. (Sd.) W. HILL,
Session's Judge, C. &, M. Station.

Comes of a well known Mysore family, I have known him from his school days, when he was a pupil in the Royal School at Mysore, opened for the benefit of His Highness the Maharaja and the noble families of Mysore.

Dated 10th December 1890.
(Sd.) V. P. MADHAVA RAO,
Deputy Comr., Bangalore District.

* These have reference to my brother. already referred to in para 6.

13. It will be superfluous to reiterate my family connections; the papers printed as Appendix No.III, will, for themselves speak on this point, but apart from being a member of such an old and recognized family of Mysore, the fact that I am the only neglected and forsaken student, of those who had the blessing of being associated with His Highness, is a matter deserving of some consideration.

14. I may here state that in the benevolent rule of that most beloved Maharaja Sree Chamarajendra Wodayar Bahadur, G. C. S. I., the remants of all known ancient families were raised to high positions, and almost all the Royal students were bestowed high appointments in the service.

15. Though I have not had the good fortune of taking a degree, yet the education I have received (both English and Canarese) during my scholastic career at the Royal School, combined with my general improvement and long official experience, in various departments enables me to discharge my work with efficiency as borne out by the opinions expressed by my superior officers.

16. The generosity with which the benign Government have treated Krishnama Naidu, lately appointed a Probationer on Rs. 50 in Government Proceedings No. $\frac{9285-6}{G.\ 2178}$ Dated 5th December 1894, a member of the Cola family to whom I am in no way inferior, both in the matter of pedigree and educational attainments, has emboldened me to make a simliar representation to the Government for some consideration.

17. I have besides working in the Departments noted above also undergone training in the Police School at Bangalore and have lately learnt Photography, Surveying, Measuring, Drawing, Practical training besides a knowledge of the Codes. I append as appendix No.IV, an endoisement given to me by the Inspector General of Police.

APPENDIX No. IV.

The Inspecter Genaral of Police will be glad to take(Mahamad Khan) into this Department, both on account of his birth and qualifications when opportunity offers. Dated 28th February 1895.

(Sd.) V. P. MADHAVA RAO,
Inspector General of Police.

18. I may here be permitted to state that I have gained experience in the above branches of the service *viz* Revenue, Judicial, Police, and Forest and I am most willing to pass the required Departmental tests, which I should long back have done were it not for the scanty leisure *now* at my disposal.

19. As regards my qualifications and capacity for executive work, I most humbly beg to make a reference to the testimonial printed as Appendix No. V given by the Honourable Councillor Mr Krishna Murti, under whom I had the fortune to serve as an executive officer in the Forest Department.

APPENDIX No. V.

The official is an energetic and intelligent official will do well in executive work As Forest Inspector he had executive work to do, but that appointment was abolished. He was taken to office.

Dated 5th July 1890.

[Sd.] P. N. KRISHNA MURTI,
Dy. Commr. Bangalore District.

20. In consideration of my high connection, and of the fact that I was among those enjoying the special regard of Sir James Gordon the late Resident and Mr C Runga Charlu the late Dewan and that I was one of those who had the exceedingly good fortune of being associated with the much lamented Maharaja Sree Chamarajendar Wodayar Bahadur, G. C. S. I., from my boyhood and that the benevolent Government have been taking a lively interest in reviving old families and also in the fact that of the existing Mahamedan families of Mysore which are in themselves very few, I am the only forsaken soul, I am constrained to present myself with this humble representation, praying for, if not higher, a similar concession as the one shown to Mr. Krishnama Naidu.

21 While Mr. Krishnama Naidu has been liberally started from Rs. 25 to 50 within the last 3 years of his service, I who have served the Government for 15 years and acted in high appointments in Different Departments, have been allowed Rs. 50 as Taluk Sheristadar in the Bangalore District.

22. In bringing all these to your kind notice it is my earnest and humble prayer to beg of you to give a favourable consideration to the facts herein represented, and in consideration of the esteem shown to my family from the days of the Mahamedan dynasty, and the regard with which my ancestors were treated by the Royal household, and the special manner in which my family status has been recognized by my brothers and myself being admitted to the Royal School, and the present disregard to which I am now subjected, I most humbly beg that my official prospects may be bettered and that if not better at least the same concession as that shown to Mr. Krishnama Naidu, may be extended to me by lifting me to the rank of a Revenue Probationer on the same terms, and noting my name for future advancement should I qualify myself Departmentally.

23. I am as well a child of this parental Government as the now favored member of the Cola family, and expect the same kind of treatment. This viewed in comparison, gives an increase of Rs. 20 after a service of 15 years (from Rs.30 to 50) while my compeer was suddenly raised from Rs. 25 to 50 in 3 years.

To

M. Visvesvaraya, Esq., B.A., C.I.E.,
Dewan of Mysore,
BANGALORE.

25-

Sir,

I, the undersigned, most respectfully beg to bring the following few lines to your kind consideration and early favourable disposal.

1. That the Khaziship of Seringapatam which has now fallen vacant by the demise of the permanent Khazi is one - which belonged to my ancestors as can be seen from the Sanad, copy of which is enclosed herein for ready reference. My great grand-father was offered the Khaziship of Bangalore with the Jahgir of two villages, viz., Nellorehalli and Vallepura - in the Bangalore Taluk and accepted the same about 150 years ago. Ever since that period our whole family has removed here where I am at present in receipt of a salary of Rs.15/- per - mensem.

2. That after the fall of Seringapatam, the two Jahgir villages were resumed by Government without paying my ancestors any compensation (by way of increase of pay).

3. You are already aware that the prices of food grains have trebled themselves and that in a large and costly city - like Bangalore, nothing less than Rs.50/- will be barely sufficient to meet what is absolutely necessary for a man to live upon

The

The salary of Rs.15/- should have been increased at the time of the resumption of the villages referred to above and the fact of its not having been done so, has greatly increased our difficulties in addition to lowering the prestige of the Office. A Khazi is expected to administer spiritual instruction to members of his sect and the burial of the bewaries (unclaimed) and the feeding of those that visit him from other places devolve upon him and I need not inform you that the salary of Rs.15/- will not be enough to defray the expenses even to the slightest degree. In fact if the wages &c., that have to be paid at the Mosque and the annual expenses at Edga do not leave even one-sixth of the salary at my disposal. Times have changed, living has become costly and the amount which was fixed centuries ago when different conditions were prevailing are not at all suited to the present day. I am holding the office of Khazi which hinders me from exercising any other profession not because it offers me a small pecuniary benefit but because of the intention to follow the footsteps of my ancestors and help the poor. If a Khazi goes to other professions to eke out a living he will necessarily be lowered in the estimation of his community as they will have no respect for a Khazi who will be a fruit sellor or the like. Not only should we maintain our prestige but we should also not be in any way compelled to resort to other means to eke out our livings.

4. The post of Khazi at Seringapatam is the only one which carries a salary higher to mine in the whole Province and if my present claims for the vacancy now existing are ignored another opportunity for me to aspire to that post may never arise.

Under

27

Under these circumstances I humbly beg that you will kindly issue instructions to revise the scale for the B'lore Khazieship or if this is not feasible to appoint me either as the Khazi of Seringapatam or transfer that pay here.

For which act of kindness, I shall ever remain grateful.

I beg to remain,

Sir,

Your most obedient servant,

S e a l e d. Shah Alum.

To all Muhammadons, Naragindas, saits, merchants and grain-dealers it is notified that as Khazi Abdulla Shrief and Khazi Mohiaddin Shrief, sons of the late Khazi Md. Syied Shrief, are competent to perform the duties of a Khazi and clever and able enough to look after that work, they are with the sanction & recommendation of the Raja, Dulvois and others appointed as Khazis at Seringapatam and auhtorized to exercise their functions in and out of the place and its Suburbs. They have on their part appointed one Syed Ossman as their deputy or naib, to attend upon the matrimonial and burial ceremonies of the community and it is ordered that the said naib may be considered as a deputy of these, and every payment, emolument etc. appertaining and in course must be continued.

The humble petition of Gulam Mahamad Son of Gulam Mahamad, late Naxim, Seringapatam respectfully Sheweth:

(1) It has become a matter of right and established usage, in accordance with the Mahamadan law, that appointments with the Musjid and Gumbuz are given to the descendants of the incumbents on the death of such incumbents.

Only such incumbents as are guilty of treachery etc to the Government are deprived of such rights.

(2) Eversince the Mahamadan rule was taken possession of by the English, the employments of Musjid and Gumbuz have come down according to the Mahamadan law from father to Son. The custom of appointing substitutes for the heirs who are necessitated to be absent and of restoring their appointments to such heirs on their return, has also been extant. Three or four Naxims formerly having been dismissed for their fraud to the Government, the

grandfather, Ummer Khan by name, was given the Naxim's post by Sir Mark Cubbon the then chief commissioner of Mysore. After holding the tenure of such office for a very long period, he was succeeded by Gulam Mahamad his Son and the petitioner's father. He too in his turn, held the tenure of office, putting in a long service of nearly 20 years. At that time the Alt. Head Darog of the Musjid was defunct and one Bakir Hussain Khan, a pensioned Police Inspector was appointed on Rs 40 and the petitioner's father was — ordered to apply — either for grant or for pension. Such a State of affairs continued for a time and of late, the post and the pay of Naxim have been filled up. The petitioner's father prayed at the time to confer on the petitioner the post of Head Darog on the strength that the petitioner had been the rightful heir and that he had also acted as Naxim. Nothing was done in the direction of the prayer. After the death of Bakir Hussain

Hussain Sahib, the Head Darog, the petitioner requested many a time for that post and even approached, concerning this post, Mr. Mechanichie and got an endorsement from the Honrable Secretary to the effect that that post was given to some other Another vacancy in the post of All Khaji occurred afterwards. With all the requests of the petitioner, that post was bestowed on an outsider Meer Suad by name. After his death the petitioner applied for the same post. Even then, that vacant post was given to Khaja Mohamad Sahib retired Deputy Inspector of Schools. The petitioner considers that it is his mere misfortune that the vacant posts he requested for were conferred on others. Now that the Khaja Mahamed Sahib has been dead, his post of Khaji has fallen vacant Moreover the petitioner's nephew Abdul Khadar who was in the Quoran Khan

dead and that post two is vacant

The petitioner is already an old man and he and Gulam Gous the son of Syd deceased nephew of the petitioner are in the protection of one Syed Mohadin, own Son-in-law of the petitioner and ettalavalli of the Sahdar Mujid.

Now, it is very humbly and respectfully requested that the vacant post of the Khaji may kindly be granted to the petitioner's Son-in-law Syed Mohadin and his post of ettalavalli to Gulam Gous the petitioner's grandson, kindly and favourably considering that this is only a matter of right concerning post incumbents.

This matter I Submitted an application concerning to the Deputy commissioner, Mysore district on 6.7.14, but I did not get any reply as yet which is due to my ill-fate

His Highness
Sri Krishnarajendra Wodeyar Bahadur, G.C.S.I.,
Maharaja of Mysore,
MYSORE.

The humble Memorial of Mahomed Khan, grandson of late Bakshi Raja Khan Saheb of Mysore Palace.

May it please Your Highness,

That Your Highness' humble memorialist's Grand-father was Raja Khan Saheb, Bakshi of the Mysore Palace and his three uncles were also Bakshys during the Administration of His late Highness Sri Krishnaraja Wodeyar Bahadur.

That their meritorious services were fully recognized as is evident from a gift of Jahagir made to them, for their enjoyment and the enjoyment of their descendents.

That a special Royal School was started in Mysore for the education of His late Highness Sri Chamarajendra Wodeya Bahadur, G.C.S.I. and Your Highness' Memorialist was admitted along with other students of respectable families in the Royal School.

That after receiving his education, he was taken to Government service under the special recommendation of late Sir James Gordon, the British Resident in Mysore.

That after a long faithful service, he was retired from the first grade Taluq Cheristedarship, after acting as Amildar in several Taluqs.

That Your Highness' humble Memorialist anxiously desirous of approaching Your Royal Highness with the above introduction that he was given to understand that owing to the demise of Khaja Mahamood (Retired Sub Deputy Inspector of Hindustani Schools), his place of Khazi of Seringapatam Mosque has fallen vacant., and that he is mad to understand that preference would be given to men of merit who have rendered good service to the State and are the descendents of high families and humbly appeals to Your Highness' mercy that the small pension he has been enjoying being quite inadequate to maintain his large family in a suitable way during the present dearness of food grains.

In conclusion, I beg leave to inform Your Highness that as I have already stated above, I belong to a high family I have put in long service in several departments; and after a long successful career I have earned pension though very small on account of my misfortune. I know English, Kanarese Hindustani, Persian and Arabic languages. I am also an experienced Accountant. As it is found absolutely necessary that candidates for the vacant post should be acquainted with all the languages and specially English just to explain clearly to several European and other gentlemen that come to visit Seringapatam and Gumbaz etc., anxiously waiting to know all places of historical interest Till now no incumbent has equipped himself with all these qualifications. As I am fully conversant with all, I respectfully beg your honor will be graciously pleased to confer on me the above and vacant Khazi post and thus encourage me to strive to do my best to give satisfaction to my superiors.

Respected Sir,

I beg to be excused for venturing to trouble your honour with this my humble application.

I am the son of Shapeer Khan, Jagirdar of Doddaballapur and grandson of late Raja Khan Saheb Bakshi of the Mysore Palace, and that my three uncles were also Bakshis of the Palace, during the administration of His Highness Sree Krishna Rajendra Wodeyar Bahadur.

Their services have been well recognised as is evident from several considerations shown to them and to their descendants by His late Highness.

I was educated in the late Royal School at Mysore specially started for the education of His Highness the Maharaja Sree Chamarajendra Wodeyar Bahadur, G. C. S. I., when Colonel C. H. Lallesoo was the Guardian to His Highness the Maharaja, and Mr. Venga Charlu was the Palace Controller and latterly Dewan of Mysore.

On special recommendation of late Sir [illegible], the British Resident, and Mr. Venga Charlu, the late Dewan of Mysore, I was taken into the Government service and [illegible] at a first-grade Taluk Peristedar on Rs. [illegible], and was also in charge of Nuggere, Melur, Kadaba and [illegible] Taluks during the absence of Subadar on leave etc. I recently retired from the service and the small [illegible] on getting is hardly sufficient to [illegible] my family.

I regret to bring to your honour's kind notice that Khaja Mahomodd Sahib, retired Sub Deputy Inspector of Hindustany Schools who was Khazi of Seringapatam proper died on Thursday last: his place has in consequence fallen vacant.

In conclusion I beg leave to inform your honour that as I have already stated above I belong to a high family. MAY IT PLEASE YOUR HIGHNESS:

I beg to represent that I am the brother of the Chief Kazi and Siraj-ul-ulama Peer, Syed Mahomed Mirsad Badsha Khadir of Mysore. I was in the enjoyment at Bagdad, of a stipend from the Sultan of Turkey as other Syeds (descendants of the prophet) in recognition of our reputation, -- piety Etc.

While at Bagdad, I received a letter from my late brother stating that the Maharaja of Mysore had been graciously pleased to bestow upon him the appointment of chief Kazi of Mysore at Seringapatam as a hereditary post, the title of Siraj-ul-ulama and a Khilat worth Rs. 2,000/-, the privilege of double 2nd class fare by rail while proceeding on duty Etc. He wrote to say that he had been compelled to accept this hereditary post and pay by the high officials of Mysore Darbar and that, in consequence of this, he was unable to return to our country and therefore he asked me to come down and settle with him in order to help each other in case of casualty &c., and to look after the family in a foreigh country.

In obedience to his order, I came down and now I am looking after his whole family which consists of 15 members --- exclusive

Since the death of the Peer, no pay which was believed to be hereditary has been continued either to his family or to any deserving male member of it. I am sorry to say that the family of the Peer is in a very destitute condition.

Respectfully Sheweth,

The humble petition of Gulam Mahammad son of Gulam Mahammad, late Nazim, Seringapatam.

It has become a matter of right and established usage, in -- accordance with the Muhammadan Law, that appointments connected -- with the Musjid and Gummeg are given to the descendants of the incumbents on the death of such incumbents.

Only such incumbents as are guilty of treachery etc., to the Government are deprived of such rights.

2. Ever since the Muhammadan rule was taken possession of by -- the English, the employments of Musjid and Gummuz have come down -- according to the Muhammadan Law from father to son. The custom of appointing substitutes for the heirs who are necessitated to be absent and of restoring their appointments to such heirs on their return, has also been extant. Three or four Nazims formerly having - been dismissed for their fraud to the Government, the petitioner's grand-father Ummerkhan by name, was given the Nazim's post by Sir Mark Cubbon, the then Chief Commissioner of Mysore. After holding the tenure of such Office for a very long period, he was succeeded by Gulam Muhammadhis son and the petitioner's father. He too in -- his turn, held the tenure of office, putting in a long service of nearly 20 years. At that time all Darog of the Musjid was defunct and one Bakir Hussain Khan, a pensioned inspector was appointed on Rs.40/- and the petitioner's father was ordered to apply either for grant or for pension.. Such a state of affairs continued for a time and of late, the post and the pay of the Nazim have been filled

up.

48

The petitioner's father prayed at the time to confer on the petitioner the post of Head Darog on the strength that the petitioner had been the rightful heir and that he had also acted as Nazim. Nothing was done in the direction of the prayer. After the death of Bakir Hussain Sahib, the Head Darog, the petitioner requested many a time for that post and even approached, concerning this -- post, Mr. Mechanichie and got an endorsement from the Muzrai Secretary to the effect that that post was given to some other. -- Another vacancy in the post of all Khaji occurred afterwards. Wit all the requests of the petitioner, that post was bestowed on an outsider Meer Suad by name. After his death the petitioner apphed for the same post. Even then, that vacant post was given -- Khaja Muhammad Sahib, retired Deputy Inspector of schools. The petitioner considers that it is his mere misfortune that the vacant posts he requested for were conferred on others. Now that Khaja Muhammad Sahib is dead, his post of Khaji has fallen vacant. Moreover the petitioner's nephew Abdul Khadar who was in the Quoram Khan is dead and that post too is vacant. The petitioner is already an old man, he and Gulam Gows the son of the deceased nephew of the petitioner are in the protection of one Syed Mohadin, own son-in-law of the petitioner and Mutavalli of the -- Subdari Musjid.

Now, it is very humbly and respectfully requested that the vacant post of the Khaji may kindly be granted to the petitioner's son-in-law Syed Mohaddin and his post of Mutvalli to Gulam Gows -- the petitioner's grandson. Kindly and favourably considering that this is only a matter of right concerning poor incumbents.

To

H.V. Nanjundayya, Esq., M.A., M.L., C.I.E.,
Senior Member of Council to His Highness
the Maharaja of Mysore, B A N G A L O R E.

Sir,

I, the undersigned, most respectfully beg to bring the following few lines to your kind consideration and early favourable disposal.

1. That the Khaziship of Seringapatam which has now fallen vacant by the demise of the permanent Khazi is one which belonged to my ancestors as can be seen from the Sanad, copy of which is enclosed herein for ready reference. My great grand-father was offered the Khaziship of Bangalore with the Jahgir of two villages, viz., Nellorehalli and Vallepura in the Bangalore Taluk and accepted the same about 150 years ago. Ever since that period our whole family has removed here where I am at present in receipt of a salary of Rs.15/- per mensem.

2. That after the fall of Seringapatam, the two Jahgir villages were resumed by Government without paying my ancestors any compensation (by way of increase of pay).

3. You are already aware that the prices of food grains have trebled themselves and that in a large and costly city like Bangalore, nothing less than Rs.50/- will be barely sufficient to meet what is absolutely necessary for a man to live upon.

The

56

The salary of Rs.15/- should have been increased at the time of the resumption of the villages referred to above and the fact of its not having been done so, has greatly increased our difficulties in addition to lowering the prestige of the Office. A Khazi is expected to administer spiritual instruction to members of his sect and the burial of the bevaries (unclaimed) and the feeding of those that visit him from other places devolve upon him and I need not inform you that the salary of Rs.15/- will not be enough to defray the expenses even to the slightest degree. In fact if the wages &c., that have to be paid at the Mosque and the annual expenses at Edga do not leave even one-sixth of the salary at my disposal. Times have changed, living has become costly and the amount which was fixed centuries ago when different conditions were prevailing are not at all suited to the present day. I am holding the office of Khazi which hinders me from exercising any other profession not because it offers me a small pecuniary benefit but because of the intention to follow the footsteps of my ancestors and help the poor. If a Khazi goes to other professions to eke out a living he will necessarily be lowered in the estimation of his community as they will have no respect for a Khazi who will be a fruit sellor or the like. Not only should we maintain our prestige but we should also not be in any way compelled to resort to other means to eke out our livings.

4. The post of Khazi at Seringapatam is the only one which carries a salary higher to mine in the whole Province and if my present claims for the vacancy now existing are ignored another opportunity for me to aspire to that post may never arise.

Under

57

Under these circumstances I humbly beg that you will kindly issue instructions to revise the scale for the B'lore Khazieship or if this is not feasible to appoint me either as the Khazi of Seringapatam or transfer that pay here.

For which act of kindness, I shall ever remain grateful.

I beg to remain,

Sir,

Your most obedient servant,

Abdur Razzakh Sheriff

Respected Sir,

I beg respectfully to submit the following few lines to your gracious consideration and favourable orders.

2. The Khajeeship of Mysore Govt Jumma Masjid belongs to our family for a very long time; and the appointment was in receipt of a nominal pay for several years and upon representation by the towns people and the Taluk authorities the pay was raised from time to time and I am in receipt of Rs: 16/ at present.

3. I beg to state that the Mahomedan population of Mysore has lately considerably increased; and in a corresponding degree the Mahomedan population of

Srirangapatna

Serangapatam was

the Khaji of the Masjid di-ala of

had been receiving the originally fix

pay of Rs. 35/- till the death of the late Khaji

Khaja Mahomad

4. The question of filling the vacancy

in Serangapatam and the propriety of

continuing the high pay of Rs. 35/- came

up before the Big Cowry, Mysore, and in that

connection, I urged my claims and ex-

plained the nature, work I was necessitated

to perform owing to daily expansion of

the Mahomedan population and my

prayer was supported with recommendations

by the Masjid and Taluk authorities and.

I was recommended for an increase of

pay from 16 to 20 Rs, in connection with

the saving to be effected by the reduction

of pay of Serangapatam Khaji from 35/ to Rs 20.

5. I learn that the District authorities

have sent in recommendations to reduce

pay of Serangapatam Khaji from 35 to 20, and

balance of Rs 15/ a s has
in favour of the institution and that
any hard case has not been found heard of
all. In this connection I have got a grievance
I am a heridity, Khagi and my work
here has considerably increased and
unless such opportunities arise I have
no chance of rising in service; and
if on such occasions my hard case is
not considered: My fate is sealed; and I
beg therefore to approach you at the head
of the Department to give any deserving
case that consideration that it deserves

6. The appointment I hold is a
responsible one, and the duties are e.
and in Hazeedary, or high prices, the pay
of Rs 16/ fixed to me 8 years ago is quite in-
adequate, and besides it is no proportion
the responsibilities imposed; and in
these extreme stages, I earnestly solicit

that my fore fathers may at least
to the standard recommended in the
Sircar Notification by the Govt of
Mysore & save from trouble in these
hard times.

I respectfully beg to state that I
belong to respectable family and my ancestors
& relations enjoyed salaries viz,
Tropongee during the times of the late Tippoo
Sultan & Sir Mark Cubbon & Sir P. Griffiths
but they had from suits raise the pay. The
Several testimonials received have been
enclosed in the petition presented to the
Govt, and the said petition is said
to have been submitted to Govt by the Commissioners.

I beg to remain,
Respected Sir
Your most obedient & humble Servt.
